

A Schizophrenic Twist
Lemon Demon

I didn't write these, they are from <http://wiki.illemonati.com>.

VERSE:

C **Caug** **F**
Something wasn't right
Caug **C** **Caug** **F** **Caug** **C**
I barely slept all through the night
Caug **F** **Caug**
And when the morning came
C **Caug** **F** **Caug**
I was lying outside in the rain
C **Caug** **F**
The spiky nail of darkness
Fm **C** **Ab** **Eb** **F7**
Burrowed straight into my heart
C **Caug** **F**
I tried to use a crowbar
Fm **C** **Ab** **Eb** **F7**
But I only pulled myself apart
Ab
I'm easily amused enough
Eb
To make it through the day
Ddim
I'm random and confused enough
Ab **Bb**
To be in total disarray
Ab
Tell me that I'm all alone
Eb
In thinking that I'm all alone
Ddim
I'm so completely on my own
Ab **Bb** **C**
That everything's OK

CHORUS:

Caug **F** **Fm**
I might be on to something
C **AbEb** **Bb** **C**
(Schizophrenic twist)
Caug **F** **Fm**
I might just be on something
C **AbEb** **Bb** **C**
(Schizophrenic twist)
Caug **F** **Fm**

But somethingâ€™s telling me

C **Ab** **Eb** **Bb**

And donâ€™t believe a word of this

C **Caug** **F**

But music sounds much better

Fm **Ab** **Ab7**

With a schizophrenic twist

(OR:

Fm **Ab7**

With a guitar.)
