Being alone on Valentine's day doesn't bother me

**A D E F#m E D**  
Normally, I don't exude lugubriosity

**C#7 F#m**  
But this year I am curious,

**E A**  
What it's like to feel blue

**C#7 F#m**  
Though it may be spurious,

**E A**  
I've got nothing else to do

**D A E A**  
And I'm gonna shed tear after tear

**D A E F#m**  
Not that I'm a lonely guy,

**Bm F#m C# D**  
but Valentine's comes but once a year

**C# D E A**  
I might as well give it a try

**D E F#m E D**

**A D E F#m E D**

**A D E F#m E D**  
So I'll partake in all the weeping whims that I can find

**A D E F#m E D**  
Maybe watch Eternal Sunshine Of the Spotless Mind

**C#7 F#m**  
Dress all grim and gruesome

**E A**  
Drive until I'm ill

**C#7 F#m**  
Watch the happy twosomes,

**E A**  
Whom if I were truly lonely I would probably want to kill

**D A E A**  
And I'm gonna shed tear after tear

**D A E F#m**  
Not that I'm a lonely guy,

**Bm F#m C# D**  
but Valentine's comes but once a year

**C# D E A**  
I might as well give it a try
