

**Between You And Me**  
**Lemon Demon**

[INTRO]

**C G** x4

[VERSE]

**C G C E7 Am**  
Almost every day, I am swept away  
**C F G C**  
from the dull void and null by the things you say.  
**G C E7 Am**  
Wouldn't it be great, living in one state?  
**C F G C**  
State of mind, intertwined, that you help create.

**C G C E7 Am**  
When we're on the phone, I am no longer alone  
**C F G C**  
It's a start, but my heart is still in another time zone  
**G C E7 Am**  
You're the greatest thing random fate couldn't bring  
**C F G C**  
Still, I smile. Maybe I'll meet you in the spring

[BRIDGE 1]

**Am F**  
What if I don't?  
**G Am**  
God I hope I do.  
**C F G**  
Wishes come true.

[CHORUS]

**C F G Ab**  
Waiting for everything to fall into place.  
**C F G Ab Bb**  
So far a distance just to see face to face.  
**Am F**  
Between you and me, I think rules don't apply.  
**Am F Fm Cmaj7**  
Between you and me is a space we can walk if we try.

[INSTRUMENTAL]

**C G** x4  
**C G C E7 Am C F G C** x2

[SPOKEN VERSE]

**C G C**  
You are, indubitably

**E7** **Am**  
The loveliest possible person for me

**C**  
Why weren't we thrown together

**F** **G**  
Somewhere nice with perfect weather?

**C** **G**  
Where cosmic placement failed

**C** **E7** **Am**  
Where Serendipity dragged her tail

**C**  
Is where we are right now  
**F** **G**  
We must escape, but we don't know how

[VERSE]

**C** **G**  
You know what would be rad?

**C** **G**  
If I were rich, and if I had

**Am** **C**  
An aeroplane with giant wings

**F** **G**  
And funky old propeller things

**C** **G**  
I would fly right by your place

**C** **E7**  
And pick you up with gentle grace

**Am** **C**  
And fly straight into outer space

**F** **G** **C**  
Just to see you face to face

[BRIDGE 2]

**Am** **F**  
And when we come back

**G** **Am**  
We'll be fast asleep

**C** **F** **G**  
Counting camels instead of sheep

[END CHORUS/BRIDGE] (slightly modified)

**C** **F** **G** **Ab**  
Waiting for everything to fall into place.

**C** **F** **G** **Ab Bb**

Between you and me, I think rules don't apply.

**Am** **F** **Fm** **Am**  
Between you and me is a space we can walk if we try.

Wonder if I ll ever be with you?

**C F**

Do wishes come true?

God I hope they do.
