Market Town.

What a doozy walking â€˜round

With all these putrid people everywhere.

**F**

â€œYouâ€™ve gotta buy this!â€•

Screams a whiskey stinking vermin vendor

**Am**

Holding up a rotten pear.

**E Am F**

But I hold on to my dollar,

**C E Am**

Looking all a - round me.

**F C**

In this place, I hide my face,

**G Am**

But dirty people hound me.

**Am**

Market Street.

I could use a bite to eat,

But I donâ€™t want to buy a whole raw fish, no.

**F**

No, not a blanket!

Yes, itâ€™s lovely but Iâ€™m hungry,

**Am**

And thatâ€™s really not my favorite dish.

**E Am F**

So I hold on to my moolah,

**C E Am**

My mazuma, mon - ey.

**F C**

Thereâ€™s no trash thatâ€™s worth my cash,

**G**

It all just smells too funny.

**C F B7 E**
