

Party On The Moon
Lemon Demon

I didn't write these, they are from <http://wiki.illemonati.com>.

C **B**
Mr. Kenji Akita's got a brand new
Bb **Eb**
Top secret project that I really want to show you
Ab **Db**
I think it's okay if we go and check it out
G
Just wait until you see, you will wanna take it out
C **B**
It's a red hot, state of art, solar powered spaceship
Bb **Eb**
Don't you wanna turn it on and take a little space trip?
Ab **Db**
Hey, open up the roof and come along with me
G
Just think, in a little while, we could be
C **Em**
Bouncin' up and down in a crater on the moon
Am **Fm**
Take a good look around, make believe you're a Selenite
C **Em**
Not a lot to do, so get back around noon
Am **Fm**
'Cause it waxes up to 2-0-1 degrees Fahrenheit
C **Em**
Everybody's happy on the big gray ball
Am **Fm**
You can jump off a cliff, it's a very slow fall
C **G** **Am**
So let's all go and party on the moon
Fm
(Let's all go and party on the moon)
C **G** **C** **Am Fm**
Yeah, let's all go and party on the moon, hey!
Am Fm **Am Fm** **Am F** (C)
This is the moon, this is the moon, this is the moon, ah
