

**Loner**  
**Lemon Sun**

one of my absolute favorite songs  
i can t believe this hasn t been tabbed yet  
you re welcome.

(no capo)  
just listen to the song- the strumming is super simple

AT THE \* (C step down) play: (X 2 0 0 1 0)

**G** **Am** **Em** **C**  
You could call me a loner if you like  
**G** **Am** **Em** **C**  
Don t call me a killer, I ain t the kind  
**G** **Am** **Em** **C**  
I called for an ocean in my time  
**G** **Am** **Em** **C**  
Came back with no water but peace of mind

**Am** **D**  
I go where the wind blows  
**G** **C** \*  
You can see it in my eyes  
**Am** **D**  
I know what I m after  
**G** **C** \*  
I don t believe it is a crime  
**Am** **D**  
I ll go where the wind blows  
**G** **C** \*  
You can see it in my eyes  
**Am** **D**  
I walk with the lonesome  
**Em** **C** **Em** **C** **Am** **C**  
Until the day I die

**G** **Am** **Em** **C**  
You could call me a loser if you like  
**G** **Am** **Em** **C**  
You could tell all your friends I ve been out of sight  
**G** **Am** **Em** **C**  
I search for devotion in my life  
**G** **Am** **Em** **C**  
But all I m seeing is that love is blind
