[Verse 1]

Up, down, spinnin all around  
Fly high, falling to the ground  
Sometimes dreams can feel so far away  
Time keeps skippin out a beat  
Left, right, trippin on your feet  
Life is like a string of cloudy days

[Pre-Chorus]

Sometimes it s raisin your voice  
Sometimes it s makin some noise  
Sometimes it s proving to the world it was wrong  
Whenever you can t see the light  
Whenever there s no end in sight  
Keep on, keep on moving on  
Keep on moving on

[Chorus]

**G**

Here comes a breakthrough

(Bridge, play the same chords)

You can see it in the blind sight  
Movin' through the limelight  
Groovin' to the music imma use it when the time s right  
Hoping I can do it through the shadows, I can shine bright  
Usually in life there s one shot, this is our night  
listen To the rhythm we given and it will make you  
Start pushin the barriers and it will take you  
wherever it is you wanna go, never too late to  
Keep pushing till you breakthrough
