The glory of what we did

This is the story of how we lived
The glory of what we did
It started when we were kids
With music up in our heads
She said

(Verse 2: Same as Verse 1)
Big top, turnin around, no clowns
Im runnin as I hit the ground
Front row, big show is sold out
So I m ready for the crowd roar, lets go

(Pre-Chorus)

When it comes to the beat
Seeing that the heads are moving
Move off your seat
Achievement is what we re really doing
Freedom of speech
I m in it just to win it
I m springin and I can see it
In the end that you can be it
Cause it s patience, it s statements
Famous greatness
Movin til you make it through
And maybe you can make it too
