

Somebody

Lemondade Mouth

Such a great song. Loved the movie, enjoy the chords. Happy playing! :)

Capo is on 2nd fret.

Standard tuning

Intro

E Asus2 C#m B

[Verse 1]

E

Can you see me?

Asus2

Cause I m right here

C#m

Can you listen?

B

Cause I ve been trying to make you notice

E

What it would mean to me

Asus2

To feel like somebody

C#m

We ve been on our way to nowhere

B

Tryin so hard to get there

[Chorus]

And I say

E

Oh!

Asus2

We re gonna let it show!

C#m

We re gonna just let go of everything

B

Holding back our dreams

E

And try

Asus2

To make it come alive

C#m

C mon let it shine so they can see

B

We were meant to be

[Verse 2] (same as verse 1)

E
I m so tired
Asus2
Of being invisible
C#m
But I feel it, yeah
B
Like a fire below the surface
E
Trying to set me free
Asus2
Burnin inside of me
C#m
Cause were standing on the edge now
B
It s a long way down

(Chorus)
But I say

E
Oh!
Asus2
We re gonna let it show!
C#m
We re gonna just let go of everything
B
Holding back our dreams
E
And try
Asus2
To make it come alive

Somebody

[Bridge]

C#m

We will walk out of this darkness

B

A

Feel the spotlight glowing like a yellow sun
Ohohohohoh (Ohohohohoh)

C#m

And then we fought we fought together

B

A

Till we get back up and we will rise as one
Ohohohohoh

(Chorus)

E

Oh!

Asus2

We re gonna let it show!

C#m

We re gonna just let go of everything

B

Holding back our dreams
