Being Around

Lemonheads

```
If I was in the fridge, would you open the door?
If I was the grass, would you mow your lawn?
If I was your body, would you still wear clothes?
If I was a booger, would you blow your nose?
Where would you keep it? Would you eat it?
                               Em
I m just tryin to give myself a reason, for being around
G
If I was the front porch swing would you let me hang?
If I was the dance floor would you shake your thing?
If I was a rubber check would you let me bounce
Up and down inside your bank account?
Would ya trust me, not to break you?
                             Em
                                      C
I m just tryin really hard to make you, notice me being around
( G )
If I was a haircut would you wear a hat?
          Em
If I was a maid, could I clean your flat?
If I was the carpet would ya wipe your feet
In time to save me from mud off the street?
If you like me, if you love me, why don t you get down on your knees
And scrub me?
I m a little grubby
From being around
