Wardrobe Lemuria
WARDROBE - Lemuria
Tabbed by: Mean Mr Mustard
This song is short and very simple, so I figured I would try to get the chords down. I might do more Lemuria songs in the future, I love this band.
Tuning: Standard
D Bm G I found the pack of cigarettes that you were always quitting
You always leave a mess purging your pockets in the laundry D Bm G All your clothes were donated because none of them fit me A Bm G My legs are too long
The thrift store is so cold and the service is lousy D Bm G I want to punch the clerk s lights out as he accepts the shirt D Bm G That was a present and the first time that i ever spent money A Bm G I was two or three counting on my fingers (G) A (D) I should ve bought you a drink
D Bm G x2 A G
D Bm G The events move faster than i can show my anger D Bm G I want to practice my contempt to not be pushed over

Ends sorta abruptly there.

I tell your story like a thrifty book
