An incredible eight foot heap.

Steal My Sunshine LEN Steal My Sunshine - Len Tabbed by: Al Comacch Email: col macc@hotmail.com Tuning: Standard [Intro] [Verse] Е I was lying on the grass on sunday morning of last week. Indulging in my self defeats. My mind was thugged, all laced and bugged, all twisted round and beat. Uncomfortable im three feet deep. Now the fuzzy stare from not being there on a confusing morning week. Impaired my tribal lunar-speak. And of course you can t become if you only say what you would have done. So i missed a million miles of fun. [Chorus] В I know it s up for me. (If you steal my sunshine) Making sure i m not in too deep. (If you steal my sunshine) E Keeped versed and on my feet. (If you steal my sunshine) [Instrumental] A E B [Verse] E I was frying on the bench slide in the park across the street. L-a-t-e-r that week. My sticky paws were into making straws out of big fat slurpy treats.
