Lena (feat. Miss Li)

Stardust (2012)

Actually the whole song is based upon those four chords:  
Grundsätzlich basiert das ganze Lied auf diesen vier Akkorden:

**D F G A**

Oh Oh Oh Oh Oh Oh Oh (2x)

CHORUS:

**D F G A**  
A-S-A-P, boy you gotta call me

**D F G A**  
do it now I m about to lose my mind.

**D F G A**  
A-S-A-P, God I feel so lonely.

**A A G F D**  
Why don t you call me I m so-o alone?

Repeat this sceme through the whole song.  
Wiederhole dieses Schema das ganze Lied lang.

LYRICS:

I ve been waiting here now far too long.  
Sitting in my bedroom, writing silly songs.  
Doing all the dishes and I cleaned the house.  
Why don t you call me , I am feeling down.

A-S-A-P, boy you gotta call me.  
Do it now I m about to lose my mind.  
A-S-A-P, God I feel so lonely.  
Why don t you call me I m so-o alone?

And I ve been waiting here now far too long.  
Sitting on my bed, writing silly songs.  
Now...kinda feeling angry, cause I, I don t understand.  
You hear me calling, don t you wanna pick up?

A-S-A-P, boy you gotta call me.

Do it now I m about to lose my mind.  
A-S-A-P, God I feel so lonely.  
Why don t you call me I m so-o alone?

Boy, this feels like torture (feels like torture, boy)  
Boy, this feels like torture (feels like torture, boy)  
Boy, this feels like torture (feels like torture, boy)  
Boy, this feels like torture (feels like torture, boy)

Freaking out, falling down, start crying now.  
Take pill and have a drink.  
Well, I need you baby.

A-S-A-P, boy you gotta call me.  
Do it now I m about to lose my mind.  
A-S-A-P, God I feel so lonely.  
Why don t you call me I m so-o alone?
