(C)

I entered the room

(G)

Sat by your bed all through the night

(F)

I watched your daily fight

(G)

I hardly knew

(C)

The pain

(G)

Was almost more than I could bear

(Am)

And still I hear

(C)

Your last words to me

Ref:

(C)

(Am)

Heaven is a place nearby

(F)

(G)

(C)

So I won t be so far away

(F)

(Am)

And if you try and look for me

(F)

(G)

Maybe you ll find me someday

(C)

(Am)

Heaven is a place nearby

(F)

(G)

(Am)

So there s no need to say goodbye

(G)

(Am)

I wanna ask you not to cry

(F)

(G)

Iâ€™ll always be by your side

(Continue the pattern above through next)

You just faded away  
You spread your wings  
You had flown  
Away to something unknown  
Wish I could bring you back  
Youâ€™re always on my mind  
About to tear myself apart  
You have your special place in my heart  
Always

ref:  
Heaven is a place nearby  
So I won t be so far away  
And if you try and look for me  
Maybe you ll find me someday  
Heaven is a place nearby  
So there s no need to say goodbye  
I wanna ask you not to cry  
Iâ€™ll always be by your side

(F)

And even when I go to sleep

(Am)

I still can hear your voice

(F)

(G)

(C)

And those words I never will forget

Heaven is a place nearby  
So I won t be so far away  
And if you try and look for me  
Maybe you ll find me someday  
Heaven is a place nearby  
So there s no need to say goodbye  
I wanna ask you not to cry  
Iâ€™ll always be by your side
