(C)

I entered the room

(G)

Sat by your bed all through the night

(F)

I watched your daily fight

(G)

I hardly knew

(C)

The pain

(G)

Was almost more than I could bear

(Am)

And still I hear

(C)

Your last words to me

Ref:

(C)

(Am)

Heaven is a place nearby

(F)

(G)

(C)

So I won t be so far away

(F)

(Am)

And if you try and look for me

(F)

(G)

Maybe you ll find me someday

(C)

(Am)

Heaven is a place nearby

(F)

(G)

(Am)

So there s no need to say goodbye

(G)

(Am)

I wanna ask you not to cry

(F)

(G)

Iâ€™ll always be by your side

(Continue the pattern above through next)

You just faded away
You spread your wings
You had flown
Away to something unknown
Wish I could bring you back
You're always on my mind
About to tear myself apart
You have your special place in my heart
Always

ref:

Heaven is a place nearby
So I won't be so far away
And if you try and look for me
Maybe you'll find me someday
Heaven is a place nearby
So there's no need to say goodbye
I wanna ask you not to cry
I'll always be by your side

(F)

And even when I go to sleep

(Am)

I still can hear your voice

(F)

(G)

(C)

And those words I never will forget

Heaven is a place nearby
So I won't be so far away
And if you try and look for me
Maybe you'll find me someday
Heaven is a place nearby
So there's no need to say goodbye
I wanna ask you not to cry
I'll always be by your side
