G (x4)

G
Do you remember those days
When the sound of the rain made your day
You d put on your raincoat, play in the mud
Nothing can take all that joy away
One cup of cocoa, then off to bed
Mud, still in your hair
You didn t care, fall asleep with a smile on your face
Nothing as safe as that place

G
Do you remember those nights
When the sound of the screams made you scared
You d bring teddy bears, hide under the bed
You know you will sleep there instead
Prayers to God, then closing your eyes
Forgot your favourite bear

E7 **G** **C9** **G**
