```
           Bbm      F#        C#        G#         Bbm

All she needs is your touch, is that asking too much

She ll take you to that place,

Just knowing that you re with her

```
   C#           F#    F#maj7                    Bbm          G#
She could have,      when he asked to hold her hand

She could have given him her hand, and you never would have seen

```

```
What would happen if she did so

What the ending would be like

[Chorus]
               Bbm      F#         C#        G#          Bbm

She ll take you to that place,
F#                            C#        G#  Bbm
Where nothing would feel better,

But she misses you still,  she misses you still
