VERSE I
                     Fmaj7
        F
Keeping my distance, I look but I don t really see
It s like things lose their colour
   Fmaj7
                             G6/B Am
And people are walking right through me
                      Fmaj
                                       C G6/B
To not pay attention, not easy to see what s passing you by
          Fmaj7
                             Am
I gave it a try, did not see you coming my way
CHORUS
          Fmaj7
                     G
Now you wanna hold my hand, you chose to take it
                 Fmaj7
The truth is that I never really thought we d make it
Here we are, no chance I m leaving
                Fmaj7
Ideas of love and life for sure can be deceiving
             Am
Here we are now
VERSE II
                               Fmaj7
How come it just happened? By that moment I sure didn t know
               Fmaj7
                                C G6/B Am
A purpose of meeting, back then I did not believe so
                   Fmaj7
                                     C G6/B
Somehow you got to me, never again will I put up a fight
           Fmaj7
                     Am
When everything s right, finally everything s right
