

How Would It Be
Lene Marlin

Song: How Would It Be
Artist: Lene Marlin
Album: Lost In A Moment

Capo 1st fret for both acoustic and electric guitar

Intro: only elect. gtr

palm muted C5
then
C5 G5 A5 F5

Verse: only el.gtr keep palm muted all chords till chorus

C5
What have I done?
G5
What if it s too late now?
A5
Did I do all I could, did I?
F5
Did I make it good, did I?
C5
Somehow it doesn t feel right
G5
Is it really all over?
A5
Did I think it through, did I?
F5
What if all I want is you?

Chorus: El.gtr plays power chords and Ac.gtr plays normal chords.
I ll put the electric chords in the brackets

C (C5)
And now
G (G5)
I won t see you again
Am (A5)
The moment was there but we lost it
Time changed it all
F (F5)
And we let it
We let it happen

C (C5)

And now

G (G5)

I wonder how it would be

Am (A5)

If things stayed the same and we liked it

F (F5)

The end of a search cos we found it

How would it be?

Break&verse 2: Ac.gtr rings once C G Am F while the el.gtr is palm muting the

relative power chords (listen to the song and you ll get what i mean)
