Bbm F# C# G#
It never really hurts, but there are tears

[Chorus]

Bbm F#
Do you want the real story, or do you prefer the lie
C# G#
Do you want to see him smile, or maybe see him cry

Do you want to follow, or let him go alone

For then, never to know... never to know

never to know

The song goes on like that all the time. There are just some variations on the way the chords are played (faster, slower, picking, normal...), or the instruments used, but

they are still the same chords.

Hope you like it !!!
