Sorry thoughts and fightening sounds in my mind
still I try avoid it
heading through this hope not one-way alley
I can t really sense my surroundings
seem to be all dark around
nothing there to lighten up my way
honestly don t know where I ll end up at last
won t even count the days
one thing I sure know
I won t move so fast
my mind in complete haze

I pass by don t dare to stop
when there s someone I see
there s no one here but me
I m fooled by something inside my head
if I lay down now
I might seems kinda dead
just keep on wasting time

Hm

I walk slow in secret listening to the sound of steps

A

imagination seems to go all crazy
