C# **F#**
She came home just won the game

All she wanted was to make you proud
Bbm **F#**
You weren t there
C# **F#**
Had his birthday a few days ago
F#/G# **Bbm**
He got some presents, a big party too
Ebm **F#**
And there were congratulation cards
Bbm
As it used to be for
G#
Not ever one from you

[Chorus]

F#
You weren t there
Ebm
Distant far away
Bbm
it s like this every day
G#
I see it in their heads
Ebm
Wonder if you ll come
F#
Afraid to close their eyes
Bbm
And miss you once again

[Verse]

C# **F#**
She cut herself on that piece of paper
F#/G# **Bbm**
It didn t hurt but she saw the blood
Ebm **F#**
She could need that embrace
Bbm **F#**

You weren't there

C# **F#**

Did he have to cry louder?

F#/G# **Bbm**

Would that make you hear him?

Ebm **F#**

You see his heart was broken

Bbm **G#**

For the first time

[Chorus]

F#

You weren't there

Ebm

Distant far away

Bbm

It's like this every day

G#

I see it in their heads

Ebm

Wonder if you'll come

F#

Afraid to close their eyes

Bbm

And miss you once again

[Bridge]

Ebm **G#**

You cannot turn back time

F# **F#/G#**

I wish that to come true

Ebm **G#** **F#**

They're making up these stories about you

[Chorus]

F#

You weren't there

Ebm

Distant far away

Bbm

It's like this every day

G#

I see it in their heads

Ebm

Wonder if you'll come

F#

Afraid to close their eyes

Bbm **G#**

And miss you once again

F# **Ebm** **Bbm**

Miss you once again...
