

**All My Bells Are Ringing**  
**Lenka**

**C**                    **D**  
Mistletoe and holly

**G**  
Deck the halls

**C**  
But you

**D**  
Don't come around

**G**  
And you don't call

**C**  
Well

It's just  
          **D**  
Like the season

**G**  
To be lonely

**C**  
And my heart

**D**  
Is beating

**G**    **G**  
For you only

**G**  
Take my heart

**C**  
This Christmas

**D**  
And wrap it

In a ribbon  
          **G**

And a bow

**G**  
Yes

Take my heart  
          **C**

This Christmas

**D**  
Take it

**G**

Where ever you go

**C**

Everybody

**D** **G**

Has someone to hold

**C** **D**

Nestle by the fire

**G**

In from the cold

**C**

But I don t hear

**D**

The carols

**G**

They are singing

**C**

And I ve only

**D**

Got one thing good

**G**

**G**

For giving

**G**

So take my heart

**C**

This Christmas

**D**

And wrap it

In a ribbon

**G**

And a bow

**G**

Yes

Take my heart

**C**

This Christmas

**D**

Take it

**G**

Where ever you go

**C**

All my bells

**D**

Are ringing

**G**

Just for you

**C**

And I got

**D**

No desire

**G G**

For someone new

**G**

So take my heart

**C**

This christmas

**D**

And wrap it

In a ribbon

**G**

And a bow

**G**

Yes

Take my heart

**C**

This Christmas

**D**

Take it

**G**

Where ever you go

**D**

Take it

**C**

**G**

Where ever you go
