

Nothing Here But Love
Lenka

Lying under setting sun
The day is done, my heart is won
We hold each other, friends or lovers
High above, there s nothing here
But you and me, we ll never end
We re innocent, we re heaven-sent
We re born together, dying together
Live forever, there s nothing here butâ€|

C **C**

Love, sweet love

F

It s all we know, so can I show you

C

Love, sweet love

F

G

Take time to grow, there s nothing here but love

C

Take me where the days are fun

Am

Where everyone knows everyone

Dm

We ll love together, live together

F

We will never be let down

C

Oh you will see it s meant to be

Am

We re living life, we re wild and free

Dm

We re falling under, right from under

F

Oh my darling there s nothing here butâ€|

C

Love, sweet love

F

It s all we know, so can I show you

C

Love, sweet love

F

G

Take time to grow, there s nothing here but love

Can you whisper into my ear
The words that I love to hear?

C

Love, sweet love

F

It s all we know, so can I show you

C

Love, sweet love

F

G

Take time to grow, there s nothing here butâ€|

C

Love, sweet love

F

It s all we know, so can I show you

C

Love, my love

F

Dm

Take time to grow, there s nothing here but love

There s nothing here but love, love
