[Verse 1]

Em A
I ve worked in this factory far too long
Em A
Can t remember when I last had
Em A
Some time to breathe and be on my own
Em A
And to do things just for a laugh
Em A
To be a clown, to paint the town
Em A
Where the sunshine can heal my bones
Em A
In five more days I ll be on my way
Em A
Then my fantasies will unfold

[Chorus]

G A
Cause there are 5 more days til summer
B
Takes me away

There are 5 more days til summer

Like a vampire in a box

Without a sound, no one around

I awaken to feel the cold
Em **A**
To do again just like yesterday
Em **A**
With this emptiness in my soul

[Chorus]

Cause there are 5 more days til summer
B
Takes me away

There are 5 more days til summer
