Song Title: Can we find a reason?

Okay, the beginning guitar part is acoustic. Then the slide guitar comes in. You can also play these exact same guitar chords on the keyboard. Enjoy.

**F#** **A**  
Is there anyone out there willing to try?  
**E** **D**  
Are we satisfied with just getting by?  
**F#** **A**  
We ve hurt mother nature can t you see her she s crying  
**E** **D**  
We ve robbed and we ve raped her and taken her child  
**F#** **A** **E**  
And oh oh oh oh Can we find a reason?  
**D**  
Just think about it  
**F#** **A** **E**  
And oh oh oh oh Can we find a reason  
**D**  
To live another season? Yea

--Break--

**F#** **A**  
We re fighting more battles everyday we re alive  
**E** **D**  
We should be rejoicing but instead we cry  
**F#** **A**  
This world s so polluted you would think we were blind  
**E** **D**  
We poison our children before they re defined  
**F#** **A** **E**  
And oh oh oh oh Can we find a reason?  
**D**  
Just think about it  
**F#** **A** **E**  
And oh oh oh oh Can we find a reason  
**D**  
To live another season? Yea

--Break--

**F#** **A**

Excuse me for saying cause I ve never been shy

**E** **D**

But if we don t stop this we sho nuff goin die

**F#** **A**

Yes I hope we can make it cause this river s run dry

**E** **D**

Now our only battle will be to survive,

**F#** **A** **E**

Hey, and oh oh oh oh Can we find a reason?

**D**

Come on a think about it

**F#** **A** **E**

Hey and oh oh oh oh Can we find a reason

**D**

To live another season

**F#** **A** **E** **D**

Yea, it s the New Millennium
