## Dream

## Lenny Kravitz

Intro C

You can take away my freedom

Am

But my spirit will run free

C

F

You can take away my vision

Am G

That don t mean that I can t see

F

Well all I have to say

Is it doesn t work that way

F

What lives inside of me

G

Will find its way to be

C

It all starts with a dream

\_.

The dawn of a new day

Am

The God inside of you

G

Will always see you through

C

So hold on to your dream

F.

No one can take the dream

Am

From your heart

G

From your heart

C F

You can try to shake my reason

m

But you ll never take me down

1

You can fill me full of bullets

Am G

But I m built on solid ground

```
F
So all I have to say
Is I m not going away
It s much bigger than me
God s will will always be
It all starts with a dream
The dawn of a new day
The God inside of you
Will always see you through
So hold on to your dream
No one can take the dream
         Am
From your heart
From your heart
Am
          Am G
                        Am G C
           Amen,
                          Amen
Amen,
 You will never take my passion
Am
  Cause it always will remain
 Even if I lose this battle, oh yeah
Am
 It s just blood inside my veins
That s all I have to say
The dream won t go away
You can t steal from me
What God gave me for free
It all starts with a dream
```

The dawn of a new day

Am

The God inside of you

G

Will always see you through

C
