F G C G Am

We must all unite, there s no more segregation

When you've seen the light there's nowhere else to go
And with peace in sight no walls could separate us
We would be as one because this earth's our home

[Pre-Chorus]

Just think twice
Before you cast your stone at someone's soul
It's their life
So the choice is theirs and theirs alone

[Chorus]

We're not here to judge
We are here to love
There's no room to hate
We are just one human race
We must rise above
We are here to love
There's no time to waste anymore

[Bridge]

Will we learn from our past?
Our clock is running fast

[Chorus]

We're not here to judge
We are here to love
There's no room for hate
We are just one human race
We must rise above
We are here to love

There s no time to waste anymore
