

I Build This Garden For Us
Lenny Kravitz

C **B** **Em**
I build this garden for us,
C **B** **Em**
I build this garden for us
C **B** **Em**
I build this garden for us,
C **B** **Em**
I build this garden for us

verse 1

G
In this garden
A
This lovely garden
Bb **A** **G**
I build a temple of love
G
Walk with the Father
A
Won't be a bother
Bb **A** **G A Bb**
To touch the Earth as it was
C
We'll farm the land each day
 B
And in the sunshine we will play
Em
Glory glory for the day He came
 A
Our tears had gone away
C
We'll make love in the shade
 B
And in the ocean we will bathe
Em
Little fishies in the sea
 A
Say hooray

C **B** **Em**
I build this garden for us,

Bb A G
 No racial prejudice
 G
 You ll be my brother
 A
 Of any color
 Bb A G
 You ll just be okay with us
 C
 We ll live each day in peace
 B
 In hope that we will one day reach
 Em
 The rest of the world
 A
 When they are ready to be teached
 C
 For kingdom will come
 B
 Thy will will be done
 Em A
 On Earth as it is in heaven
 G
 I build this garden
 A Bb G C
 I build this garden for us
 G
 Yeah yeah yeah yeah yeah

C B Em
 I build this garden for us,
 C B Em
 I build this garden for us
 C B Em
 I build this garden for us,
 C B Em
 I build this garden for us
