

Rock And Roll Is Dead
Lenny Kravitz

Well these are just all the basic Led Zeppelinish riffs in the song and how they fit with the lyrics. I have most of the solo figured out and I'll post it later, if you really want it.

Intro/Rythym figure 1.(ryth.fig.1. is intro w/out muted strum and slide from 17th fret). This is two guitars playing together(L.Kravitz and Craig Ross) arranged for one guitar:

-Palm Mute-
E-----
B--X-X-X-----X/17-17-17-17--
G--X-X-X-----X/17-17-17-17--
D--X-X-X-----3-----X/17-17-17-17--
A--X-X-X-----3^5--5^3-----X/17-17-17-17--
E-----17--3-4-5-----5^3--3-4-5-----

Before each verse Ryth.fig.1. ends with this little riff (ending on either D or E). There are 2 guitar parts. So, again, this comes right after you play rthy.fig.1. and are about to go into a verse:

Gtr.1
A G D or E (let the D and E chords sustain)

E-----3-----

Gtr.2

Fill #1 (this occurs mainly right after a verse, before Ryth.fig.1 is played)
