

All My Dreams
Lenny LeBlanc

intro: **Am G** (2x)

Am G Am
I thought that i knew what life is about

So sure i had it figured out
Am G Am
Then everything around me started to unwind
G F
I felt just like watching moon in out of time
F G F
If it wasn t for you i wouldn t found my way
F G
Ain t much but i just wanna say
cho:

C G F G
All my dreams, all my hopes, one by one, came true
C G F G
All my fears, all my doubts, melted like rain
C G F G
All my love, all my life, i spent looking for someone like you
C G F G Am G
All my heart, All my soul, i follow you, all my dreams

(Chords for the 2nd verse are same as the 1st)

For so long i wanted to believe
There could be a change in someone like me
Seem like the closer i got to you
Watch my gray skies turn to blue
Now that i can finally see its gonna be just fine
youre the one that tells the sun to shine.

(repeat chorus)
