

**There Is None Like You**  
**Lenny LeBlanc**

**G**            **D/F#**            **C/E G/D**  
There is none like you  
**C**            **G/B**                            **Am7**                            **Dsus D**  
No one else can touch my heart like you do  
**G**            **D/F#**                            **G/F**            **C/E**  
I could search for all eternity long  
**C5/Eb**      **G/D**                            **Dsus**            **G**  
and    find    there is none like you

**C/E**      **D/F#**                            **G**  
Your mercies flows like a river wide  
                 **C**            **D**    **Gsus4 G**  
And healing comes from your hands  
**Em**            **D**    **Bm**                            **C**  
Suffering children are safe in your arms  
**Am**            **C**    **Dsus4 D**  
There is none like You

**G**            **D/F#**            **C/E G/D**  
There is none like you  
**C**            **G/B**                            **Am7**                            **Dsus4 D**  
No one else can touch my heart like you do  
**G**            **D/F#**                            **G/F**            **C/E**
