

Going Nowhere
Leon Marshall

[Verse 1]

D **Em** **D**
I havenâ€™t see her since she let me go,
Em
I havenâ€™t heard from her for years,
D **Em**
Iâ€™ve only just stopped thinking about her though,
D **Em**
Iâ€™ve only just dried off my tears.

[Pre-Chorus]

D **Em**
Woah - oh - oh - oh
D **Em**
Woah - oh - oh - oh

[Verse 2]

D **Em**
She sayâ€™s she wants to know my story,
D **Em**
Sheâ€™s sorry she let me slip away,
D **Em**
She wants to take me home and hold me,
D **Em**
Sheâ€™ll never let me go again.

[Pre-Chorus]

D **Em**
Woah - oh - oh - oh
D **Em**
Woah - oh - oh - oh

[Chorus]

D **Em**
I ainâ€™t going nowhere
D **Em**
With you
D **Em**
I ainâ€™t going nowhere
D **Em**
With you

[Verse 3]

D **Em**
She says she wants to just start over,
D **Em**
Can we please just start again,

D Em
She says she misses the way I hold her,
D Em
She wants us to be more than friends.

[Pre-Chorus]

D Em
Woah - oh - oh - oh
D Em
Woah - oh - oh - oh

[Chorus]

D Em
I ainâ€™t going nowhere
D Em
With you
D Em
I ainâ€™t going nowhere
D Em
With you

[Verse 4]

D Em
Now I donâ€™t really want to hurt her,
D Em
I donâ€™t want to put her down,

[Bridge]

D Em Bm
But Iâ€™ve been burned so many times before,
Em A
And I donâ€™t think my heart could take much more.

[Chorus]

D Em
I ainâ€™t going nowhere
D Em
With you
D Em
I ainâ€™t going nowhere
D Em
With you
