Capo up 1 fret

A7 **D** **Bm** **Bm7**
Now the day is gone and I sit alone and think of you girl

Em7 **G** **D**
What can I do without you in my life?

Bm **Bm+** **Bm7** **E**
I guess that our guessing game just had to end that way

G **A7** **G** **A7** **D**
The hardest one to lose of all the games we played

A7 **D** **Bm** **Bm7**
But the time has passed for living in a dream world

G **Em7** **D**
And lying to myself, can t make that scene

Bm **Bm+** **Bm7** **E**
Of wondering if you love me, or just making a fool of me

G **A7** **G** **A7** **D**
Well I hope you understand, I just had to go back to the island,

G **D**
And watch the sun go down, hear the sea roll in

A7 **D**
But I ll be thinking of you and how it might have been

G **D**
Hear the nightbird cry and watch the sunset down

G **A7** **G** **A7** **D**
Well I hope you understand I just had to go back to the island.

Bm **D** **G** **D**
For all the sunny skies it s raining in my heart

Bm **G** **D**
I know down in my soul I m really gonna miss you

Bm **D** **G** **D**
But it had to end this way with all the games we played

G **A7** **G** **A7** **D**
Well I hope you understand I just had to go back to the island

G **D**
And watch the sun go down, hear the sea roll in

A7 **D**
But I ll be thinking of you and how it might have been

G **D**
Hear the nightbird cry and watch the sunset down

G **A7** **G** **A7** **D**
Well I hope you understand I just had to go back to the island.
