Back To The Island Leon Russell

Back to the Island by Leon Russell Submitted by Bendave cbennett35@nc.rr.com

Capo up 1 fret

Α7 BmBm7 Now the day is gone and I sit alone and think of you girl Em7 G What can I do without you in my life? Bm+Bm7 I guess that our guessing game just had to end that way **A**7 G **A**7 The hardest one to lose of all the games we played \mathbf{Bm} But the time has passed for living in a dream world Em7 And lying to myself, can t make that scene Bm+Bm7 Of wondering if you love me, or just making a fool of me Α7 Well I hope you understand, I just had to go back to the island, And watch the sun go down, hear the sea roll in But I ll be thinking of you and how it might have been Hear the nightbird cry and watch the sunset down Α7 G Well I hope you understand I just had to go back to the island. For all the sunny skies it s raining in my heart I know down in my soul I m really gonna miss you D G But it had to end this way with all the games we played Α7 G Α7 Well I hope you understand I just had to go back to the island And watch the sun go down, hear the sea roll in But I ll be thinking of you and how it might have been Hear the nightbird cry and watch the sunset down

Well I hope you understand I just had to go back to the island.
