

Palm Trees Or Mistletoe
Leon Thomas III

Hey everyone,

This is a great Christmas song by Leon Thomas III and Vali. The song has three main parts: Intro/Verse Chorus and Bridge Section and is in the key of A minor. In the video I saw, Leon plays the intro/verse section with fingerpicking and the rest is regular strumming.

Intro/Verse Section (Remember this section is picked with you fingers. It may be difficult at first but you will get it with practice.)
