

Fact leaves fate to find us.

Bm

Like the tallest mountain on the widest sea

A

Nothing s big enough to hide us.

D

When we make love it s overwhelming

G

I just touch the heavens

Bm

A

You re an angel, you re an angel

D

I said this world, this world.

A/Db

Could leave us anyday

Bm

G

But my love for you, it will never go away.

D

And I don t wanna go to sleep

A/Db

cause you are like a dream

Bm

For every night I say a prayer,

G

And I swear you are the answer

Bm

A

D

You re an angel, you re an angel, you re an angel.

G

So we take it and each moment that I pause

Bm

I see it, you see it,

A

What we have is made of gold

D

We re so filled with meaning,

G

Nothing can make us shallow.

Bm

So I hold it, and you hold it

A

The promise of tomorrow.

D

When we make love it s overwhelming

G

I just touch the heavens.

Bm

A

You re an angel, you re an angel

D

and I said this world, this world.

A/Db

Could leave us anyday

Bm

G

But my love for you, it will never go away.

D

And I don't wanna go to sleep

A/Db

cause you are like a dream

Bm

For every night I say a prayer,

G

And I swear you are the answer

Bm

A

Em

You're an angel, you're an angel, you're an angel

Bm

I don't need three wishes

Gmaj7

well I just need one

F#m7

For us to never be finished

Em

For us to never be numb

When they say it's over

Bm

We'll just say I love you

Gmaj7

And when they say it's finished

A

We'll just keep on building.

D

this world, this world.

G

Could leave us anyday

Bm

A

But my love for you, it will never go away.

D

And I don't wanna go to sleep

G

cause you are like a dream

Bm

For every night I say a prayer,

A

And I swear you are the answer

D

this world, this world.

A/Db

Could leave us anyday

Bm

G

But my love for you, it will never go away.

D

And I don't wanna go to sleep

A/Db

cause you are like a dream

Bm

For every night I say a prayer,

G

And I swear you are the answer

D

A/Db

Bm

G

You're an angel, you're an angel, you're an angel.

D

A/Db

Bm

G

You're an angel, you're an angel, you're an angel.

Bm

A

G

You're an angel, you're an angel, you're an angel.
