

**Better In Time**  
**Leona Lewis**

**F#** **A#m**  
It s been the longest winter without you  
**D#m F#** **B**  
I didn t know where to turn to  
**F#** **A#m**  
See somehow I cant forget you  
**D#m F#** **B**  
After all that we ve been through

**F#**  
Go in, come in  
Thought I heard a knock  
**A#m**  
Who s there? No one  
**D#m F#**  
Thinking that I deserved it  
**B**  
Now I realize that I really didn t know  
**F#** **A#m**  
You didn t notice, you mean everything  
**A#m**  
Quickly I m learning, to love again  
**D#m F# B**  
All i know is, I will be ok

**F#** **A#m**  
Thought I couldn t live without you  
**D#m F#**  
It s gonna hurt when it heals too  
**B**  
It ll all get better in time  
**F#** **A#m**  
Even though I really love you  
**D#m F#**  
I m gonna smile cause I deserve to  
**B** **F#**  
It ll all get better in time

**A#m**  
How could I turn on the tv  
**D#m F#** **B**  
Without something there to remind me  
**F#** **A#m**  
Was it all that easy  
**D#m F#** **B**  
To just put aside your feelings

**F#**

If I m dreaming

**A#m**

Don t wanna let, hurt my feelings

**D#m**

**F#**

But that s the path, I believe in

**B**

And I know that, time will heal it

**F#**
