

Broken

Leona Lewis

Bm

You can take away all my love

A **G**

What do I need it for

You can take away all these words

There s no meaning anymore

You can take away everything

Leave me lying on the floor

F#m **G** **A** **G** **Em**

All those sorry s we can t go back to the start

G **A** **F#m**

You can t fix me, I m torn apart

Bm **G**

I wanna run away from love

D

This time I have had enough

A **G**

Every time i feel your touch, I m broken

Shattered all my pieces of part

Never thought I d fall so hard

Putting back together my heart, It s broken

You can take these photographs

Watch them fade away, oh

You can throw away all these letters

I don t care about what they say

All those sorry s, there s a million reasons why

You can t mend me, don t even try

I wanna run away from love

This time I have had enough

Every time I feel your touch, I m broken

Shattered all the pieces of part

Never thought I d fall so hard

Putting back together my heart, I m broken

Bridge (not sure about this, but i think same chords as chorus)

I know it s gonna take some time

To finally realize

I got nothing let inside

Nothing to hide

I m broken, I m broken

My heart is oh, oh, oh

I m broken, I m broken

There s nothing left inside
Oh, Oh, Oh, Oh, Oh, Oh
Save me

I wanna run away from love
This time I ve had enough
Every time i feel your touch, I m broken
Shattered all the pieces of part
Never thought I d fall so hard
Putting back together my heart, I m broken

Oh, Oh, Oh, Oh, I m broken
Oh, Oh Oh, Oh, Save me
Oh, Save, Me
I m broken
