```
I don t wanna go, I don t wanna go, I don t wanna go
I can t breathe, without you I get weak
And I can t breathe, and I can t breathe
And I can t breathe without you near me
And I can t breathe and I can t live, without you I can t
And I can t breathe, and I can t breathe
And I can t breathe without you near me
And I can t live and I can t live, without you I can t
                             Bm
Oh, it s just not fair that, oh, I m lost in your warmth
And I just can t breathe, just can t breathe
I m coming up, coming up for breath
And I can t breathe, and I can t breathe
And I can t breathe without you near me
And I can t breathe and I can t live, without you I can t
And I can t breathe, and I can t breathe
And I can t breathe without you near me
And I can t live and I can t live, without you I can t
