

**Come Alive**  
**Leona Lewis**

**Am**

I don t mind if it rains for a century

**Dm** **G**

I don t mind the rain

**Am**

I don t mind if you re here laying next to me

**Dm**

I don t mind the pain

**Am**

So put it on me, put it on me, ah

**Am**

Put it on me, I want your love

**Am**

Put it on me

**Am**

**F**

You re my light, I see when I come alive

**F**

See when I come alive, live, live...

**Am**

**F**

I revive, see when I come alive

**F**

See when I come alive

**Am**

Fire runs through my veins at the speed of light

**Dm** **G**

Fire through my veins

(I want your love, I want your love)

A thousand suns lead the way to an endless night

I embrace the pain

(I want your love, I want your love)

**Am**

**F**

You re my light, I see when I come alive

**F**

See when I come alive, live, live...

**Am**

**F**

I revive, see when I come alive

**F**

See when I come alive

See you when I come alive

See you when I come alive

See you when I come alive

I don't mind if it rains for a century  
I don't mind the rain

So put it on me, put it on me, ah  
Put it on me, I want your love  
Put it on me

**Am** **F**  
You're my light, I see when I come alive

**F**  
See when I come alive, live, live...

**Am** **F**  
I revive, see when I come alive

**F**  
See when I come alive

See you when I come alive  
See you when I come alive  
See you when I come alive
