F Ab
Im no angel, imperfect myself, cos baby I am only human,

Ab

C
The bridge we burnt is being built again,
Bb

[Verse 2]

C
I wish we could take back the things we said,
Bb
Cos what we said s not always what we ment,
F
We lost our heads, in the moment,
Ab
And the words we used them like a weapon,
C
But no one wins if we both walk away,
Bb
And we hate being the people we became,
F
We re warmer than that, we re better than that,
Ab
And I still cherish all the things we had,

[Chorus]
