D#

I just can't believe

A#

you're

gone

Still waitin' for mornin' to come

When I

G#

see if the sun

D#

will

rise

In the way that you're by my side

When we had so

A#

much in store

Tell me what is it I'm

G#

reaching

for

When we're through building

D#

memories

I'll hold yesterday in my heart, in my heart

They can take tomorrow

Gm

and the

A#

plans we made

They can take

G#

the music that we'll never play

All the broken dreams, take everything

Just take it away

D#

but they can never

A#

have

yesterday

They can take

D#

the future that we ll never know

They can take the places that we said we will go

All the broken dreams take everything

Just

Gm

take it away but they

D#

can never have yesterday

You always choose to stay

I should be thankful for everyday

Heaven knows what the future holds

Or least where the story goes

A#

But I never

G#

believed until now

I

D#

know I ll see you again, I m sure

No,

A#

it s

D#

not selfish to ask for more

Gm

One more night, one more day

One more smile on your face

But they can t take yesterday

They can take

A#

tomorrow and

D#

the plans we made

They

A#

can take the music that we ll never play

D#

All the broken dreams, take everything

Just take it away but they can never have yesterday

They can take the future that we ll never know

They can take the places that we said we will go
All the broken dreams take everything

G#

Just take it away but

Gm

they can never

A#

have

yesterday

I thought our days

G#

would last forever

Cm7

A#

Cause in my mind

D#

we

G#

had so much time

D#

But I was so

F#

wrong

No, I can, believe me

I can

A#

still find the strength in the moments we made

I m lookin back

D#

on

yesterday

They can take tomorrow and the plans we made

They can take the music that we ll never play
All the broken dreams, take everything

Just take it away but they can never

Gm

have

yesterday

They can take the future that

D#

we ll never know

They can take the places that we said we will go

All the broken dreams take everything

Just

Cm7

take it away but they can never

G#

have

yesterday

All the

D#

broken dreams take everything

But they can

A#

never have yesterday
