[Verse 2]

We asked for signs
the signs were sent:
the birth betrayed
the marriage spent
the widowhood
of every government -
signs for all to see.

Can t run no more
with the lawless crowd
while the killers in high places
say their prayers out loud.
But they ve summoned up
A thundercloud
and they re going to hear from me.

Ring the bells that still can ring.

[Verse 3]

You can add up the parts
but you won t have the sum
You can strike up the march,
there is no drum
Every heart
to love will come
but like a refugee.
