Coming Back To You (Leonard Cohen)

F# / Ebm / B C#/G F# / / /

F# Ebm B C#/G F#
Maybe I m still hurting I can t turn the other cheek

Ebm C#/G B F#
But you know that I still love you it s just that I can t speak

B F# Bb B
I looked for you in everyone and they called me on that too

F# C# Ebm Bbm B C# F#
I lived alone but I was only coming back to you

Ebm B C#/G F#
They re shutting down the factory now just when all the bills are due

Ebm
And the fields they re under lock and key

C#/G B F#
Though the rain and the sun come through

B F# Bb B
And springtime starts but then it stops in the name of something new

F# C# Ebm Bbm B C# F#
And all the senses rise against this coming back to you

B F# B F#
And they re handing down my sentence now and I know what I must do

Bb B G# C#
Another mile of silence while I m coming back to you

F# Ebm B C#/G F#
There are many in your life and many still to be

Ebm C#/G B F#
Since you are a shining light there s many that you ll see

B **F#** **Bb** **B**
But I have to deal with envy when you choose the precious few

F# **C#** **Ebm** **Bbm** **B** **C#** **F#**
Who ve left their pride on the other side of coming back to you

Bb / F / Bb / F / A / Bb / G / C / / /

F# **Ebm** **B** **C#/G** **F#**
Even in your arms I know I ll never get it right

Ebm **C#/G** **B** **F#**
Even when you bend to give me comfort in the night

B **F#** **Bb** **B**
I ve got to have your word on this or none of it is true

F# **C#** **Ebm** **Bbm** **B** **C#** **F#**
And all I ve said was just instead of coming back to you
