Coming Back To You (Leonard Cohen)

E / C#m / A B/G E / / /

E C#m A B/G E
Maybe I m still hurting I can t turn the other cheek

C#m B/G A E
But you know that I still love you it s just that I can t speak

A E G# A
I looked for you in everyone and they called me on that too

E B C#m G#m A B E
I lived alone but I was only coming back to you

C#m A B/G E
They re shutting down the factory now just when all the bills are due

C#m
And the fields they re under lock and key

B/G A E
Though the rain and the sun come through

A E G# A
And springtime starts but then it stops in the name of something new

E B C#m G#m A B E
And all the senses rise against this coming back to you

A E A E
And they re handing down my sentence now and I know what I must do

G# A F# B
Another mile of silence while I m coming back to you

E C#m A B/G E
There are many in your life and many still to be

C#m B/G A E
Since you are a shining light there s many that you ll see

A **E** **G#** **A**
But I have to deal with envy when you choose the precious few

E **B** **C#m** **G#m** **A** **B** **E**
Who ve left their pride on the other side of coming back to you

Bb / F / Bb / F / A / Bb / G / C / / /

E **C#m** **A** **B/G** **E**
Even in your arms I know I ll never get it right

C#m **B/G** **A** **E**
Even when you bend to give me comfort in the night

A **E** **G#** **A**
I ve got to have your word on this or none of it is true

E **B** **C#m** **G#m** **A** **B** **E**
And all I ve said was just instead of coming back to you
