Coming Back To You (Leonard Cohen)

G / Em / C D/G G / / /

G Em C D/G G
Maybe I m still hurting I can t turn the other cheek

Em D/G C G
But you know that I still love you it s just that I can t speak

C G B C
I looked for you in everyone and they called me on that too

G D Em Bm C D G
I lived alone but I was only coming back to you

Em C D/G G
They re shutting down the factory now just when all the bills are due

Em
And the fields they re under lock and key

D/G C G
Though the rain and the sun come through

C G B C
And springtime starts but then it stops in the name of something new

G D Em Bm C D G
And all the senses rise against this coming back to you

C G C G
And they re handing down my sentence now and I know what I must do

B C A D
Another mile of silence while I m coming back to you

G Em C D/G G
There are many in your life and many still to be

Em D/G C G
Since you are a shining light there s many that you ll see

C **G** **B** **C**
But I have to deal with envy when you choose the precious few

G **D** **Em** **Bm** **C** **D** **G**
Who ve left their pride on the other side of coming back to you

Bb / F / Bb / F / A / Bb / G / C / / /

G **Em** **C** **D/G** **G**
Even in your arms I know I ll never get it right

Em **D/G** **C** **G**
Even when you bend to give me comfort in the night

C **G** **B** **C**
I ve got to have your word on this or none of it is true

G **D** **Em** **Bm** **C** **D** **G**
And all I ve said was just instead of coming back to you
