## Hallelujah Leonard Cohen

```
[Verse 1]
Now I ve heard there was a secret chord
That David played, and it pleased the Lord
But you don t really care for music, do you?
                      Bb
It goes like this the fourth, the fifth
                    \mathbf{B}\mathbf{b}
    Dm
The minor fall, the major lift
                    A7
                                 Dm
The baffled king composing Hallelujah
                                           F C F C
                  Dm
                              \mathbf{B}\mathbf{b}
Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah
[Verse 2]
                                Dm
Your faith was strong, but you needed proof
You saw her bathing on the roof
                    C
Her beauty and the moonlight overthrew ya
                  Bb
She tied you to a kitchen chair
                               Вb
She broke your throne, and she cut your hair
                       A7
And from your lips she drew the Hallelujah
                  Dm
                              {\tt Bb}
Hallelujah, Hallelujah, Hallelu-u-jah
[Verse 3]
    F
                   Dm
You say I took the name in vain
             Dm
I don t even know the name
But if I did, well really, what s it to ya?
There s a blaze of light in every word
It doesn t matter which you heard
                A7
The holy or the broken Hallelujah
                  Dm
                              {\tt Bb}
Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah
```

```
[Verse 4]
 F
                 Dm
I did my best, it wasn t much
I couldn t feel, so I tried to touch
I ve told the truth, I didn t come to fool ya
                 \mathbf{B}\mathbf{b}
And even though it all went wrong
I ll stand before the Lord of Song
                 A7
With nothing on my tongue but Hallelujah
[Outro]
    Вb
                            Вb
                 Dm
Hallelujah, Hallelujah, Hallelujah
    Вb
                 Dm
                            Bb
Hallelujah, Hallelujah, Hallelujah
                            Вb
                 Dm
Hallelujah, Hallelujah, Hallelujah
                 Dm
                            Вb
Hallelujah, Hallelujah, Hallelujah
```
