I know this room, I ve walked this floor
I used to live alone before I knew you.
I ve seen your flag on the Marble Arch
But love is not a victory march
      G/B
It s a cold and it s a broken Hallelujah
              Αm
Hallelujah, Hallelujah
              C G C G
Hallelujah, Hallelu-uuu-uujah
                  Am
There was a time you let me know
 С
                 Αm
What s really going on below,
                 G
But now you never show it to me, do you?
               F
I remember when I moved in you,
And the holy dove was moving too,
   G/B Em7
and every breath we drew was Hallelujah.
Hallelujah, Hallelujah
    F C G C G
Hallelujah, Hallelu-uuu-uujah
Now, maybe there s a God above,
                   Am
As for me, all I ever learned from love
                    G
Is how to shoot at someone who outdrew you.
С
                    F
It s no complaint you hear tonight,
It s not some pilgrim who s seen the light
                         Em7
It s a cold and it s a very lonely Hallelujah.
Hallelujah, Hallelujah
    F C G C G
