

Im Your Man
Leonard Cohen

Intro: **Em Bm F# Bm**

Em
If you want a lover
D
I ll do anything you ask me to
Em
And if you want another kind of love
D
I ll wear a mask for you
Bm
If you want a partner
Bm
Take my hand
G
Or if you want to strike me down in anger
A
Here I stand
Bm
I m your man

If you want a boxer
I will step into the ring for you
And if you want a doctor
I ll examine every inch of you
If you want a driver
Climb inside
Or if you want to take me for a ride
You know you can
I m your man
D
Ah, the moon s too bright
G
The chain s too tight
A **D**
The beast won t go to sleep
F#m
I ve been running through these promises to you
Bm
That I made and I could not keep
F#
Ah but a man never got a woman back
Bm
Not by begging on his knees
G
Or I d crawl to you baby

F#

And I d fall at your feet

G

And I d howl at your beauty

F#

Like a dog in heat

G

And I d claw at your heart

E

I d tear at your sheet

A

I d say please, please

Em

I m your man

(**Em Bm**)

(**Em D**)

(**Bm G**)

(**F# Bm**)

And if you ve got to sleep a moment on the road

I will steer for you

And if you want to work the street alone

I ll disappear for you

If you want a father

For your child

Or only want to walk with me a while

Across the sand

I m your man

If you want a lover

I ll do anything that you ask me to

And if you want another kind of love

I ll wear a mask for you...
